Please carefully and thoughtfully answer the following questions. It is a privilege to be part of the Japan 2012 team, and likely not everyone who applies will be accepted. With this in mind, please only submit an application that represents your best, most accurate and honest work. Type your answers to the questions and attach them to this sheet, and turn them in (along with your \$150 non-refundable deposit) to Wes Moore.

### Spiritual Background

1. Please describe how you came to have a personal relationship with Jesus Christ.
2. What has God been teaching you lately out of His Word?
3. In your own words, what do you think it means to be a fully-maturing follower of Jesus Christ?
4. In Japan, if someone were to ask you what it means to have a relationship with Christ and how he or she could have one, what would you say?
5. What is the most difficult or most challenging thing your faith in Christ has led you to do?
6. What are you currently doing to mature as you follow Jesus Christ?

### Ministry Background

7. How has being involved in The Net/LifePointe Church impacted your life spiritually? What have you learned?
8. We break-down mission experiences into three categories: M1, M2 and M3. An M1 experience would be a "local" mission trip that does not involve lots of cross-cultural interaction. An M2 experience would involve traveling, but not outside the United States, and would also involve ministering to someone of another culture. An M3 trip involves significant cross-cultural interaction and takes place outside the United States. What mission/service projects have you been involved with? Tell us when you went and what you did.
9. Who are those who don't yet know Christ in your life you are trying to reach with the love of Jesus Christ? Describe your relationship with each of them.

### Team Information

10. Why do you want to be a part of this trip?
11. What are some of your expectations, fears and apprehensions about going to Japan?
12. What do you think are some of your strengths, abilities, gifts or experiences that would be a benefit to this trip?
13. The goal for our team is to teach English to the Japanese, share our testimonies and the gospel to those that God is leading us to share with. Will you commit to this? What does this mean to you?
14. There are many qualities that we desire you possess to be a part of this team. Some of the most important ones are *encouragement, unity and being a servant*. For each of these characteristics, please complete the following: **1.) Find a Bible passage that refers to that attribute 2.) Write what it means to you 3.) Write what you will do to add to this characteristic of our team.**

## Team Commitment & Covenant

1. Do you agree to attend **ALL** of the training sessions prior to our departure for Japan?
